

3rd Floor - 81,600 SF

This floor encompasses an impressive 81,600 square feet of versatile space, illuminated by energy-efficient LED lighting. The floor is uniquely designed to cater to a wide range of business needs, featuring distinct sections that offer both open layouts for extensive storage and smaller, enclosed areas suitable for office development. With direct access to multiple large freight elevators, the floor facilitates easy logistics, making it ideal for businesses seeking substantial operational or storage space. Its flexible design allows for a multitude of uses, from long-term storage to large-scale operations, all within a cost-effective and adaptable environment. This comprehensive space provides a prime opportunity for businesses to create a tailored setup in a dynamic and expansive setting.
